GAC JALTEPEC GATHERING

By: Florencia Noriega, María José Arredondo, Carolina Flores y Miriam Gonzales
Forming a GAC generation...
We visited “el malecón de Jocotepec”.

Also we made an activity in order to know more about our partners.
Football
TEAM WORK
At the end...
"We are a family, all of us laugh and talk, love and understand, not looking at the past only to the future."
We have learned to respect, smile, help and fight with “courage”
Because one day we will be living our biggest dreams.

We hope you have enjoyed it.
